DEAN RESPONDS TO CONCERNS

First thank you for cooperating with the staff and respecting the no food or drink policy in the library. I am especially impressed

because I know many of you disagree with the policy.

In response to your concerns, I have appointed a committee to review the no food and drink policy. Professor Reutlinger will chair the committee, which includes Professors Frankel and Steele, Mr. Ruffo, and four students to be chosen by the Student Bar Association. I have recommended that a student from each class and from the evening division be chosen.

Once the committee is organized, it will doubtless let you know how you can communicate your ideas and suggestions to it. In the meantime, I would appreciate your continued cooperation.
